Quilt Matters

Heritage Quilt Guild

President's Notes

Hello Ladies,

I hope everyone enjoyed our dinner last month. I know I did and I want to thank everyone for coming out. It was nice to see Mary, please come back and show us what new projects you're working on. We had 28 people, so that's exciting to me. I want to thank Kathy Dieter for doing a great job on the challenge. Thank you for the challenges that got turned in and to the future ones for show and tell. It always amazes me to see what quilters can come up with one piece of fabric to start with and a theme. I know each challenge is different that's the idea, but for the new quilters among us, wasn't it amazing to see what was turned in. Seventeen different quilts and seventeen different ideas. Congrat's to the winners, but each quilter should be proud of her quilt, congrats to all.

I'm excited for the future of our guild, keep challenging yourself to do something different.

Happy Quilting

Secretary's Report *From July Meeting*

Our annual July potluck meeting was called to order at 7:00 and we began with an excellent feast. The treasurer's report was a beginning balance of \$2,534.68 with expenses of 50.00, 18.62 and 100. Deposit of \$74 for an ending balance of \$2,440.06.

Kelie asked that any good quilting web site you know about she would be glad to publish in the newsletter, just sent her an email with the site. Kathy sent us to view the skinny challenge quilts on the museum second floor. They will be displayed all this month. The following entries won ribbons: Judy, Jenetta, Anita, Renee, Laura Kathryn, Marcia and JoAnn. It was a great small show and collection of very different challenge interpretations.

The Museum will waive the entry fee for up to 2 quilts submitted by guild members before the end of July for their "Art of the Quilt" show this fall. Please fill out your entry forms as soon as possible, quilts don't have to be finished and available until 9/15.

Meeting finished with Show and Tell.
